

This **Christmas** choose the **Holy Land**,

Making a double gift to your employees, suppliers and clients!

ATS pro Terra Sancta is suggesting to companies that they replace their traditional company gifts with a range of **solidarity presents** that will add the value of solidarity to the pleasure of receiving something from the Holy Land.

Your donation will be transformed into **concrete actions** in support of the weakest elements in **Bethlehem**: children, young families and the elderly. This gesture of solidarity will enable your company to reinforce its own social responsibility, strengthen its reputation with consumers and increase the motivation of its employees by performing a good deed for the Holy Land!

Here are our suggestions: greeting cards, single-page calendars and bookmarks. We are also able to carry out special requests.

The items can be personalized by inserting your company logo and a greeting. **In addition we offer shipping from Jerusalem directly to the address you provide us.**
